Springboro, Oh 45066

Dear Mr. Sarangan:

Congratulations on your recent acceptance of the \$773,000 check from Governor Taft for use by the University of Dayton's School of Engineering.

For your family and friends, I have enclosed the news article highlighting this endeavor.

As your State Representative, I am excited about the opportunities that the Third Frontier Project will bring to Ohio. On July 9<sup>th</sup>, 2003, Governor Taft signed House Bill 1. As a supporter of this measure, I am pleased to report House Bill 1 will encourage more technology investments in Ohio.

Once again, congratulations, and please feel free to contact me if I may ever be of assistance with any state related issue. Also, I would encourage you to visit my website at [www.tomraga.org](http://www.tomraga.org) for information regarding state government and Warren County.

Yours truly,
